RE: Request for Criminal Record Check and Vulnerable Sector Search

ATTENTION: Regina Police Services, Records Management

A vital part of our church protection plan to reduce the risk of abuse and to ensure the protection, health, and safety of families and children attending our midweek and weekend services, our ministries, and our events is a request for a Criminal Record Check. We believe it is our responsibility and due diligence to do whatever we can to protect and safeguard our children and the many volunteers who generously give of their time and energy to lead, teach, assist, and provide care for them.

The information that we receive through a Criminal Record Check assists us in the screening process before we consider placing applicants in volunteer ministry positions.

has applied to serve as a volunteer childcare worker in our weekly classes. To complete the reference check portion of the

application process, **please conduct a Criminal Record Check and Vulnerable Sector Search** for the above applicant and forward to:

Yolanda Maat

Next Generation Ministry Assistant, Regina Apostolic Church 808 Assiniboine Ave E.
Regina, SK S4V 0K6
